## Magnet Repair Shipping Instructions

Thank you for choosing HD Extreme Offroad as your front differential magnet repair experts. We look forward to taking care of all your side cover and magnet repair needs. Please see below for shipping instructions as they are extremely important to ensure a smooth and eventless process.

**DO NOT PROCEED PAST THIS POINT WITHOUT PLACING AN ORDER FOR THE MAGNET REPLACEMENT SERVICE!**

Complete the Following Fields

ORDER NUMER: \_\_\_\_\_

Contact Name: \_\_\_\_\_

Shipping Instructions are as follows:

- Print this page and fill out the information above. Place this form along with any notes you would like to pass onto us about what is happening with your magnet in the box with your differential side cover. (Notes can be wrote on the back of this page)
- Please only send your side cover! We also highly suggest that you send your armature plate with your side cover. (This is the plate that makes contact with your magnet. In the RS1, Turbo S, Pro XP style diff, this is the bigger of the two plates.)
- IMPORTANT! Write your order number in **bold** on the outside of the box.
- Make sure you pack your box so your side cover isn't moving around or it WILL damage your armature plate or could result in unreparable damage to your side cover. We are not responsible for any lost or damaged shipments to us.
- Please ship your side cover to us at:  
HD Extreme Offroad  
1035 County Road 145  
Scottsboro AL 35768

We look forward to getting you setup with the best and most reliable magnet setup possible! If you have any questions during this process, please feel free to contact us at any time via email
